Bartels offers you the best German modern and custom interior door and hardware solutions with complete trade service and ideas for a new dimension of living and quality.

Modern Barn Door Hardware

Putting a modern spin on a classic design, our solid stainless steel sliding rail systems take the barn-door concept to an entirely new level. Available for glass or wood panels, ceiling or wall mounted our German-engineered modern barn door hardware is quiet, smooth and absolutely chic.

Modern Handles, Hinges & Hardware

Offered independently or within complete door systems, quality German hardware components offer modern designer details and serve to enhance the function and ease of installation of a door, such as the revolutionary fully adjustable, concealed door hinge that provides perfect door alignment.

Custom Wood Doors

Give any project the distinction of modern European design using the finest wood veneers and furniture-grade lacquers, doors can be flush mounted floor to ceiling and each door is inclusive of door, frame and hardware... delivered pre-hung and ready for installation.

Custom Glass Doors

Accentuate the visual impact of any room with frameless glass doors. Open up a space with clear glass or add a splash of radiant color. Dare to be bold with an array of modern etched designs or infuse your creativity with personal artwork.

Closet Systems & Room Dividers

Slide, hide or divide... our edgy sliding doors can be customized to become a serviceable artistic designer feature. Not only stylish but engineered of materials tested for everyday use, these sliding systems will operate smoothly and quietly for years to come.

Modern Library Ladders

Stainless steel ladders capable of effortlessly navigating 90° corners can be customized for any space... libraries, kitchens, closets, and wine cellars. Telescopic ladders are available for space-saving, easy stowage available with wooden or stainless steel treads.

Laminated Doors

Almost indistinguishable to real wood, our laminate offers the durability necessary for commercial projects and high traffic areas while maintaining designer features needed for residential projects. The easy-to-clean, scratch-resistant, no-paint surface is a great economic choice for designer doors.

Shower Door Systems & Enclosures

Let the character of modern design flow into the private of spaces of your home. Frameless glass shower systems and enclosures utilize the brilliance of glass and stainless steel creating extraordinary custom elements
